

AC: Christoph Schlingensiefel Church of Fear

£11

This publication documents and reflects the latest state of the Church of Fear in the context of its history. Founded as an open 'Alliance of Fear' against monopolies of terror and extraneous procreation and utilization of fear by political sectarians, conspiracy theorists or TV preachers, at the beginning of the Iraq war, the Church of Fear was shown at the 50th Venice Biennale and during the World Youth Day in Cologne.

Accompanies an exhibition at Museum Ludwig, Cologne, 2005. English and German text.
