

Juneau Projects The Black Moss

£12.95

Juneau Projects make interactive and collaborative works, utilizing elements of video, sound, installation and performance in their art. They have also created CDs, radio broadcasts, magazine publications, new typefaces for graphic design and an on-line record label. Their practice is rooted in the Romantic tradition, at once developing ideas of the sublime in nature and investigating the shortfall in our relationship with technology and its place in the natural world.

This catalogue accompanies their exhibition at Ikon Gallery, Birmingham; Wysing Arts Centre, Bourn; Model Arts & Niland Gallery, Sligo; FACT, Liverpool; and Glynn Vivian Art Gallery, Swansea.
