## Hans-Peter Feldmann

£22.5

### Book #9

This artists' book by Hans-Peter Feldmann features work from the past decade including his recent series of Flower photographs. Feldmann is a collector of photographs; he takes photographs when he cannot find suitable images for his work. The pictures Feldmann selects and brings together in exhibitions and, in particular, books are an unpretentious trace of his own observations which he prefers the viewer to interpret. Hence, Feldmann can narrate many things in his pictures without giving anything away.

Published on the occasion of the exhibition Hans Peter Feldmann at Sprengel Museum, Hannover, April – July 2007 and Arnolfini, Bristol, November 2007 – January 2008.

English and German text.
