

Youssef Nabil Sleep in My Arms

£19.95

Nabil tells 'stories' through his carefully constructed images. In his words: 'I always like to tell stories through my work; the more simple the photo is, the more complicated the story becomes. What's the point in making a photo if it doesn't have something to say?' Nabil's images have a cinematic quality and explore the interior and exterior worlds of drama, beauty, glamour, sexuality and identity. In this latest body of work titled Sleep in My Arms, Nabil gives us access to stories about his relationships with various male friends through his delicately coloured, quiet and intimate portraits. A voyeur by nature, Nabil places these young men in situations of his own imagining and sets up dreamlike moments that are imbued with a brooding sexuality.
