

## David Renggli Cage Writes Bird.

£25

The Swiss artist David Renggli uses everyday items to create his surrealistic worlds in which objects suddenly appear to have an individual soul: plant leaves take the form of a mobile, plush fabric forms a rare mythical creature, etc. His sculptures evoke a world of fairy tales and ghosts in a post-industrial society which once again yearns for fetishes.

The lavishly illustrated monograph provides a first overview of Swiss artist David Renggli's work. Published with Codax Publishers, Zurich.
