

Delaine Le Bas Witch Hunt

£15

Delaine Le Bas' installations incorporate found objects, textile techniques, performance and film and, as part of the UK Romany community, explore many of the experiences of intolerance, misrepresentation, transitional displacement and homelessness that the community continues to face.

Witch Hunt is a multimedia project comprising installation, performance and new music. Originally commissioned by aspex, Portsmouth, the exhibition has continued to develop with further exhibitions for Chapter, Cardiff and Context, Derry.

Delaine is included in Sixty Innovators Shaping Our Creative Future by Thames & Hudson and is represented by Galleria Sonia Rosso, Turin and Galerie Giti Nourbakhsh, Berlin.
