

Pablo Bronstein A Guide to Postmodern Architecture in London

£9.95

Mimicking an architectural almanac of the 19th century, artist Pablo Bronstein presents the Postmodern architecture of London.

By imitating the architectural style of the 18th and 19th century, he creates surprising, fantastical presentations of some of London's buildings.

Each building is described by a drawing and text by the artist.

The book is based on the guided bus tours Bronstein conducted as an official project for the visitors of the 2006 Frieze Art Fair.
