Cevdet Ereğ Room of Rhythms 1

£16.5

Part of an ongoing exploration, Room of Rhythms 1 is based on a conversation between Cevdet Ereğ and Duygu Demir that reflects on themes of sound, architecture, rhythm, measured time, dance music and site-specificity.

Room of Rhythms 1 provides an insight into Cevdet Ereğ's practice as an artist, summing up the artistic research that led to Room of Rhythms, an experiential installation presented at DOCUMENTA (13).

A selected body of previous work -from curious rulers to LEDs that act as proposals for re-evaluating measured time, or maps for best listening points in exhibition spaces or even invisible columns inserted into floor plans- is considered in relation to Room of Rhythms, alongside a collection of images.
