

New title information

Fernando Ortega / Brian Eno Music for a Small Boat Crossing a Medium Size River

£17.5

A series of photographs by Fernando Ortega shows an unspoiled countryside, a smuggler's boat on a river in Mexico. Referring to this picture, the artist says that during their visit, the boatman made them listen to music but it is interrupted each time by the brevity of the passage.

To remedy this the artist asked Brian Eno to compose music for this purpose. A collaboration between Fernando Ortega and Brian Eno.

Please note: Eno's music is not included with this book.
