

Jewyo Rhii Walls to Talk to

£38

Walls to Talk to gives an overview of Jewyo Rhii's practice and is the most comprehensive monograph on the Korean artist to date.

Documented for the first time is Rhii's year-long Night Studio, a series of four installations in a rented apartment in the Itaewon district of Seoul.

A depth interview between the artist and Peter Peter Gorschlüter assesses the different aspects of Rhii's installation-based practice.

Published on the occasion of the 2013 exhibition touring to Van Abbemuseum, Eindhoven; MMK, Frankfurt; and the Artsonje Centre, Seoul.

English and German text.
