

Tris Vonna-Michell Capitol Complex / Ulterior Vistas

£25

Capitol Complex / Ulterior Vistas is an artist's book based on the English landscape movement that contains a spoken word script for a performance.

The script is accompanied by a related sound-work on a 10" vinyl record, as well as a separate series of large-scale photographs.

This beautiful, unique publication accompanies an artwork by British artist Tris Vonna-Michell that is permanently installed within Focal Point Gallery's new building, which opened in late September 2013.

Tris Vonna-Michell has been nominated for the Turner Prize 2014 at Tate Britain, London, 30 September 2014 – 4 January 2015.

Published by Focal Point Gallery and Mount Analogue. Printed in an edition of 500.
