Lawrence Weiner The Grace of a Gesture

£22.95

Lawrence Weiner's catalogue book documents his 2013 work in Venice. The Grace of Gesture is presented on the ground floor of the Palazzo Bembo near the Rialto Bridge, as a Collateral Event to the 55th International Art Exhibition – la Biennale di Venezia.

The installation of The Grace of Gesture – in 10 languages ranging from Chinese to Arabic to Hebrew – is installed on five of Venice's major sources of transportation, the Vaporetto. The boats transport the work through Venice on the Canale Grande, to the Arsenale, the Giardini and beyond.
