

Simon Denny The Personal Effects of Kim Dotcom

£17

Simon Denny, who was awarded the Baloise Art Prize at Art Basel Statements in 2012, is interested in the development and contradictions of our thoroughly mediated society.

His installations, objects, and projects focus on the connections between changes in media, commerce, aesthetics, and politics, with their ever repeated and always rapidly obsolete promise of the new.

Published on the occasion of the exhibition Simon Denny: The Personal Effects of Kim Dotcom at mumok, Vienna, 5 July – 13 October 2013.
