

Tal R The Virgin

£46

This catalogue contains texts on Tal R's artistic method with contributions by internationally recognised art writers and draws a picture of an inquisitive and playful artist for whom a completion is always the same as a new beginning, and in which a mountain climbed merely constitutes the foot of a new one.

The artist is a charming and unstoppable picture fornicator who meets every new challenge as a virgin. More than 30 of Tal R's latest large-scale paintings are combined with an almost encyclopaedic collection of drawings, graphics and monumental collages.

Published on the occasion of the exhibition at ARoS Kunstmuseum Aarhus, Denmark, 23 November 2013 – 21 April 2014.

English and Danish text.
